

# Jobcentre Plus Smart Phone App (Screenshots)

---

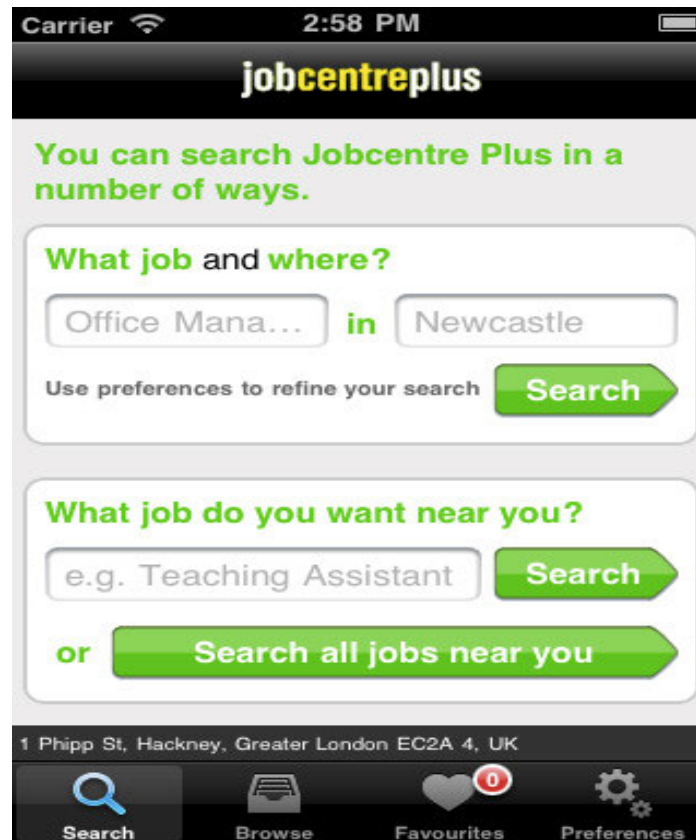

**Download the JCP App from the App store  
or follow the download instructions  
online through Directgov website.**

**Once downloaded it should look similar to  
this on the phones screen.**

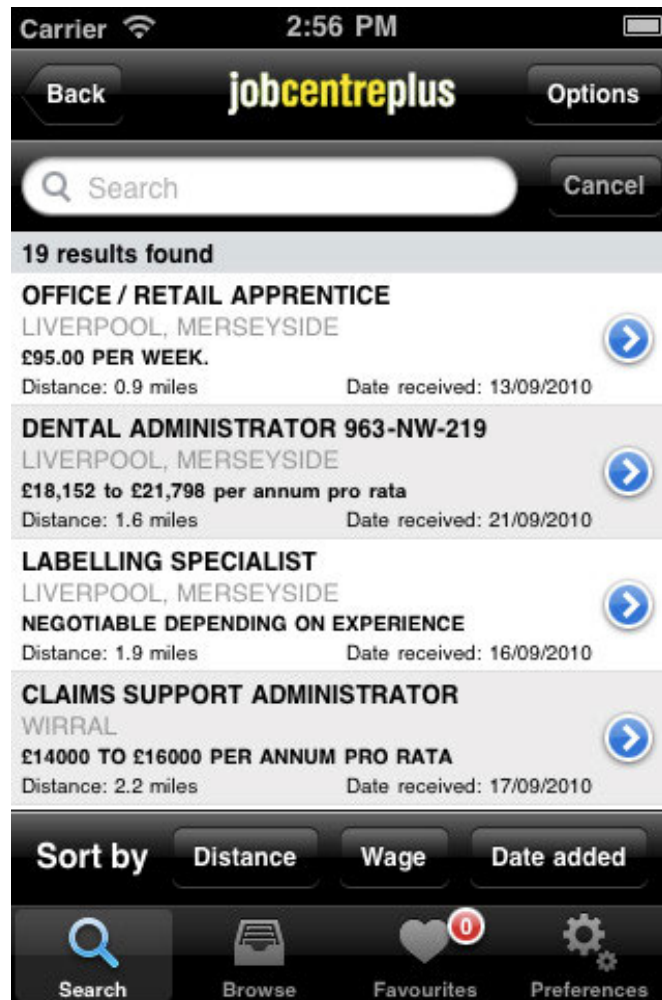

---

Click on the app  and you should get this screen

Enter the Job title and location. You'll then be asked for up to 3 sub categories. Select the ones you want Click on search. You'll then be presented with a list of jobs that you can view.

---

Click on the job you're interested in for the details

If you want to view this on the map click on the map or option button and select map.

This screen shows where the job/s are located. Select a map pin to view job title and details.
